Part X : FIN48 Footnote	Accounting principles generally accepted in the United States of America require the Organizations management to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain position that more than likely would not be sustained upon examination by applicable taxing authorities. Management has analyzed the tax positions taken by the Organization and has concluded that as of June 30, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Tax years prior to 2017 are closed.
