1 Mott Afterschool App The goal of this Foundation-Administered Project (FAP) is to leverage technology to improve afterschool programming across the United States. Specifically, this App supports the development of a mobile web application that will provide afterschool professionals and other educators with easy and equitable access to high-quality educational content and professional development resources. The App will curate content from branded partners as well as curricula generated by experts in the field and include a wide range of engaging topics and themes that engage students in learning, such as robotics, sports, and arts. Through the App this project seeks to provide equitable access for all children to the best educational resources available in the afterschool space.	394,414
2 Advancing Afterschool Technical Assistance This Foundation-Administered Project (FAP) helped to further the Foundation's efforts to provide technical assistance in the areas of afterschool policy, practice and sustainability. Through this FAP, the Foundation commissioned a consultant to 1) promote understanding of major policy or other developments in the afterschool, community learning, and expanded learning fields, 2) develop strategies to advance the statewide afterschool networks, 3) assist in the preparation and implementation of the National Network of State Afterschool Networks' meeting, and 4) participate in meetings and conferences with other education stakeholders.	180,000
3 State of Michigan Liaison Office This Foundation-Administered Project (FAP) supports the Office of Foundation Liaison (OFL), established in 2003 at the suggestion of Michigan philanthropic leaders. The office helps develop strategic partnerships between the state of Michigan and foundations in order to create better outcomes for Michigan citizens within a commonly defined set of agendas. OFL has received funding from 18 Michigan foundations as well as in-kind support from the state government. Its goals are to 1) promote mutual understanding and collaboration between state government and foundations and to identify strategic opportunities for partnering, 2) serve as a trusted source of data, information, and dialogue about programs, policy impacts, and policy implementation options, and 3) facilitate strategic joint investments that will improve outcomes for Michigan and its residents. Its 2018 priorities included P20 Education, Economic & Workforce Development, and Health.	129,160
4 Technical Assistance for Downtown Flint Revitalization This Foundation-Administered Project (FAP) helped to further revitalization efforts in downtown Flint. Through this FAP, progress continued on major redevelopment efforts that provide quality of life improvements in the central city, which are the building blocks for renewed economic development. In the past year work under this FAP focused on 1) conducting real estate due diligence, compiling sources and uses of funding, and making construction recommendations for the YWCA mixed-income housing project, 2) begin construction and leasing at the Perry Drug retail building, 3) working with Mott Community College to monitor construction and secure building services on the college's culinary school relocation in downtown, 4) identifying and advising on real estate acquisitions and development opportunities along the Saginaw Street corridor and downtown, and 5) advising on the operations and leasing of properties.	122,620
