CHILD & FAMILY SERVICES DIVISION EARLY CHILDHOOD PROGRAMS - An important part of OLHSA's mission is helping young children fulfill their potential. We offer several programs designed to make sure children have access to the nutritional, medical, and educational services they need. Together these programs provide young children and their families with opportunities both in and out of the classroom, opportunities that they might not have otherwise. Many of these programs also offer support for the family since healthy childhood development depends just as much on strong family relationships and ready access to physicians as it does on having a positive classroom environment. Eligibility for these programs is determined primarily by income and age but special consideration is given to families of children with disabilities. OLHSA is there to lend a helping hand to parents who are ready to take the initiative in their child's welfare.

FAMILY RESOURCES - OLHSA works hard to link available services in the community to families in need. Our aim is to provide them with the resources that will allow them to achieve goals for themselves and their children. Local community agencies participate on policy council and are present at parent meetings resulting in a strong support system for resources and services for families.
