Part X, Line 2	<p>The Organization is a not-for-profit organization exempt from income tax under Section 501 (c)(3) of the Internal Revenue Code and is exempt from similar state and local taxes. Although the Organization was granted income tax exemption by the Internal Revenue Service, such exemption does not apply to "unrelated business taxable income." Such income, pursuant to the Internal Revenue Code and related regulations, includes investment income such as interest received from sources other than directly from the membership. The Organization has been classified as not a private foundation. The Organization analyzes its filing positions in the federal and state jurisdictions where it is required to file income tax returns, as well as all open tax years in these jurisdictions, to identify potential uncertain tax positions. The Organization treats interest and penalties attributable to income taxes, and reflects any changes for such, to the extent they arise, as a component of its operating expenses. The Organization has evaluated its income tax filing positions for fiscal years 2013 through 2016, the years which remain subject to examination as of September 30, 2016. The Organization concluded that there are no significant uncertain tax positions requiring recognition in the Organization's consolidated financial statements. The Organization does not expect the total amount of unrecognized tax benefits ("UTB") (e.g. tax deductions, exclusions, or credits claimed or expected to be claimed) to significantly change in the next 12 months. The Organization does not have any amounts accrued for interest or penalties related to UTBs at September 30, 2016, and it is not aware of any claims for such amounts by federal or state income tax authorities.</p>
