Pt X, Line 2	FASB ASC Topic No 740, Income Taxes, prescribes the minimum recognition threshold & measurement attributes for disclosure of tax positions previously taken or expected to be taken on an income tax return in order for those tax positions to be recognized in the Association's financial statements. Under ASC Topic No 740, the Association's continued status as an exempt entity is considered to be a "tax position" in that the Association must adhere to various requirements to remain tax-exempt. In addition, any Association activities that may subject it to "unrelated business taxable income" are also considered tax positions. Management has analyzed the Association's material tax positions as of December 31, 2019 and 2018 and has determined that no material uncertain tax positions exist that require recognition or disclosure in the accompanying financial statements.
