Covenant has a partnership with ride-sharing company Lyft to provide transportation assistance for patients to and from our clinics. Patients are informed of this service while scheduling their appointments and, if needed, arrangements are made at that time. All services are provided on a bilingual basis, in English and Spanish. Covenant has bilingual staff members at each of our sites and also provides translation services to support patient/provider/staff interactions. All forms, patient satisfaction surveys, educational materials, signage, waiting room reading material, and other administrative materials are produced in Spanish and English. Our Homeless Outreach team provides care to about 50 people per week where they are located (under highway overpasses, in broken down trailers, in abandoned buildings, and in hidden urban encampments). The goal is to meet and treat people on the street, build relationships, eventually get them into our clinics to see Covenant providers in order to establish a primary care relationship, and simultaneously work with partners including a podiatrist, wound-care specialist to address more acute needs.

EIN: 38-3533998

Name: Covenant Community Care Inc

Form 990 (2019)

Form 990, Part III, Line 4a:

In 2019, Covenant served 15,097 medical patients through 44,537 visits across our six sites. Of these patients, 27% were without health insurance, creating great obstacles to healthy living and the management of chronic diseases. Our commitment to those most in need ensures that our percentage of uninsured patients remains substantial as we continue to grow. This can present a challenge as the sometimes transient and under-resourced characteristics of this group make medical compliance and follow-up, attainment of health goals, and access to services challenging goals. For this reason, we are always looking for new partners, like community mental health agencies and other social service organizations, and developing programs, such as our Homeless Outreach Team, to help us improve how we fulfill our mission. In 2019, Covenant's Centering Pregnancy (CP) Team helped 120 mothers deliver healthy babies and provide them with the tools they need to continue to be great parents. The CP model replaces traditional one-on-one prenatal visits with group visits and brings 12-18 women who are due at the same time together for care and support. Following prenatal check-ups, Covenant's team leads group sessions with topics such as signs and symptoms of pregnancy, back pain, relaxation & self-care, post-partum depression, domestic violence, labor, birth control, breast feeding, pediatric care, and diet.

Form 990, Part III, Line 4b:

Covenant Community Care offers oral health services at two clinical sites and through a mobile, school-based dental team. In 2019, we served 7,134 dental patients through 15,854 visits. According to Covenant's Chief Dental Officer Dr. Lynn Eickholt, Covenant clinics provide the same level of quality as private practice dentist offices. This approach to quality remains the same regardless of a patient's ability to pay for services. For example, Dr. Eickholt estimates that Covenant clinics are some of the only clinics in Detroit that are focused on preserving teeth despite the cost. Oftentimes, low-income Detroiters who do not have access to a community health center are not given options to save their teeth due to cost and must simply accept extractions, indicated by the fact that over 25% of Covenant's target population is dealing with six or more extractions. Covenant Michigan and Covenant Moross offer a full array of oral health services with state-of-the-art equipment including dental exams, x-rays, cleanings, fillings, sealants, root canals, extractions, crowns, fluoride treatments, scaling and root planning, dentures & partial dentures, and some orthodontics work.

Form 990, Part III, Line 4c:

Covenant Community Care's behavioral health counselors provided care to 2,643 patients through 7,109 visits, including substance abuse services, in 2019. Our primary medical and behavioral health care services are provided through an integrated delivery model. All medical providers receive training to ensure that they can effectively identify and successfully refer patients who need behavioral health consultations. The integration of behavioral health screenings into every patient encounter at Covenant improves service delivery and outcomes in several ways. By proactively screening our patients, we identify behavioral health needs earlier in their progression, allowing for early intervention by our Behavioral Health Counselors. We also believe that by making behavioral health screening a routine practice, it helps to remove the stigma often associated with receiving behavioral health services. Covenant opened the doors of its Recovery Center in 2017. The Recovery Center, an outpatient substance use treatment clinic, cared for 225 patients in 2019 and is housed inside our Michigan Ave Health Center. It offers a safe and loving space for outpatient substance use services, including addiction medicine, medication assisted treatment, individual counseling, weekly therapy groups, support groups and case management.
