Form 990 (2017)

Form 990, Part III, Line 4a:

Earnings from the Foundation are Invested in the Strategies that Support our Community's Agenda for Change - Since its creation, we have worked with delegations, partners, & Community Solutions Teams to create Mobilization Plans, identify research-based strategies to assess, reduce and eliminate the underlying causes of those issues and ultimately bring measurable results. The seven areas of the Agenda for Change are: Education - Students of color achieve at the same rate as white students, Children - Children are cared for and have fun as they become prepared for school, Health - People who are uninsured have access to healthcare, Housing - There is a decrease in homelessness, Independence - Seniors and people with disabilities are able to stay in their homes, Building Economic Stability- Move more people are on pathways out of poverty, Community and Volunteer Engagement - agencies and volunteers are strong partners in achieving measurable results. Each area has primary, measurable goals and antecedent metrics that are based in best practices. They are not simply measures of the units of service delivered, but of the effect on lives and the changes for better that service recipients experience. Success in changing the human condition is measured by success in moving the needle on these metrics that focus on root causes of community issues. See Schedule O for accomplishments surrounding the Agenda for Change areas.

The Corporation is also exempt from state income and franchise taxes. The Corporation files a Form 990 (Return of Organization Exempt from Income Tax) annually. When these returns are filed it is highly certain that some positions taken would be sustained upon examination by the taxing authorities, while others are subject to uncertainty about the merits of the position taken or the amount of the position that would ultimately be sustained. Examples of tax positions include such matters as the following, the tax exempt status of the Corporation and various positions relative to potential sources of unrelated business taxable income (UBIT). UBIT is reported on 990T, as appropriate. The benefit of a tax position is recognized in the financial statements in the period during which, based on all available evidence, management believes that it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any.</p>
