## **Form 990, Part III, Line 4b:**

Education Kootasca's Federal funded Head Start program served 260 pre-school children in Itasca and Koochiching Counties. Children and families in the Head Start program are provided with comprehensive services that include education, health, nutrition, social services/family support and parent involvement. Head Start ensures that the basic health needs of all children are met. The program encourages healthy behaviors that prevent future illness and promotes positive health and life long well-being. The state funded Early Head Start (EHS) program serves pregnant moms and children to the age of three (3). The EHS program in Itasca County provides services to one of our most vulnerable populations by supporting teen parents in completing their High School diploma while attending the Alternative Learning Center (ALC) one day a week. All classes earn credit towards high school graduation, and because of this, students attending TAPP/EHS can receive their diploma much faster than attending ALC alone. The semi-monthly home visits help to provide education on child development, attachment and bonding, nurturance, as well as help students build a sense of structure and consistency at home. This additional family support helps the young mothers not only graduate from school but to plan for a successful future. The agency also provides a EHS Home Base program in Koochiching County that provides weekly home visits and twice monthly socializations for parents and children.
