Form 990 (2018)

Form 990, Part III, Line 4a:

Asset Development and Housing The goal is to build community and organizational capacity allowing all Low to Moderate Income (LMI) households the opportunity for safe affordable housing and increased development of assets The accomplishments of this strategy for 2018 are as follows 1) The federal Low Income Home Energy Assistance Program (LIHEAP) provides primary heat funding to reduce energy burden for LMI households through direct payments to energy vendors As an assistance program, the payments are made to help keep the household's heat on and are targeted to those vendors essential to maintaining the household's primary heat source A crisis component of the program makes additional "Crisis" funding available to prevent utility disconnections or disruptions in service for delivered heating fuels An Energy Related Repair (ERR) component of the program provides emergency repair or replacement of non-functioning primary heat sources in emergency (no heat) situations or where health and safety hazards exist The LIHEAP Assurance 16 (A16) Program component provides households with energy self-sufficiency education, advocacy, and referral services In Federal Fiscal Year (FFY) 2018, 3,112 households experienced reduced energy burden and safe continuous heat through primary heat funding, 1,153 households avoided interruptions in service through crisis funding, 230 households maintained safe heat through ERR emergency furnace services, and 17 households reduced energy usage after receiving the A16 self-sufficiency education 2) The federal Department of Energy Weatherization Program (DOE WAP) provides funding to reduce energy burden for LMI households through building shell and mechanical system energy conservation upgrades Insulation, air infiltration reduction, heating source(s), base loads and indoor air quality are all addressed through a comprehensive energy audit process The program also provides client education for low- or no-cost energy savings measures and occupant behaviors In State Fiscal Year 2018, a reduced energy burden was realized for 21 households 3) LIHEAP Weatherization funds are used as leveraged funds with DOE WAP, and 21 households were served with these funds in 2018 4) Utility Company Conservation Improvement Programs (CIP) provide funding and materials to promote energy conservation Utility-based program activities include home energy assessments, education, and equipment upgrades to reduce base loads, such as LED lighting, low flow shower heads, low flow faucet aerators, and Energy Star rated appliances CIP funds can also be leveraged to supplement DOE WAP activities In 2018, utility-based program funding was used to serve and reduce the energy burden for 132 households, while CIP funds leveraged with DOE WAP reduced the energy burden for 3 households 5) Originated by the Minnesota Housing Finance Agency (MHFA), KOOTASCA provides funding for housing rehabilitation in the form of deferred loans offered to LMI households Eligible improvements include wells, septic systems, foundations, siding, windows, roofing, interior upgrades to address health and safety hazards, and accessibility improvements All work must meet Housing Quality Standards The program also addresses opportunities for energy savings, indoor air quality, lead-based paint remediation, and radon remediation In 2018, MHFA funds through KOOTASCA helped 35 households maintain safe and affordable housing 6) The Minnesota Department of Employment and Economic Development (DEED) Small Cities Development Program (SCDP) provides rehabilitation funding to small cities KOOTASCA often assists cities with the grant application process and then contracts with the grantee city as the program administrator Eligible improvements are similar to those available through MHFA deferred loans The SCDP grant funds can be used to address deficiencies in owner-occupied housing, rental housing, community centers, commercial businesses, streetscape, and public facilities In 2018, SCDP funding allowed for the safe and affordable maintenance of 1 commercial businesses and 8 owner-occupied structures 7) KOOTASCA's Home Ownership program assists LMI individuals and families to obtain their first home Identified as the single most important asset in building long-term wealth for lower-income households, the benefits of home ownership also promote sustainable communities with increased occupant health, academic performance, and employment security A combination of six federal, State and local funding sources are leveraged to provide education, counseling, and direct assistance In 2018, a total of 72 households graduated from KOOTASCA Home Stretch education workshops, and an additional 26 households graduated from the online Framework course Also, 176 households completed one-on-one counseling to develop a sustainable budget and initiate steps to improve financial capacity Further, 29 households completed KOOTASCA's Home Ownership program, qualified for HOME down payment and closing cost assistance, and purchased their first home By continuing to partner with leaders utilizing first-time specialty funds, 86 households across the state of Minnesota received assistance through one-on-one counseling, providing the ability for each of these households to close on its first home 8) KOOTASCA's Crisis Housing services include the Transitional Housing program and Crisis Rent Assistance program The Transitional Housing program serves homeless clients with time-limited housing, case management services, and assistance with building skills for self-sufficiency This program consists of two separate duplex locations dedicated to families, one location dedicated to male housing, and one location dedicated to female housing Transitional Housing program funds are provided by the Department of Housing and Urban Development, the Office of Economic Opportunity, the United Way, and the Blandin Foundation The Crisis Rent Assistance program provides up to 12 months of assistance for homeless or at-risk families and individuals to obtain or maintain rental housing Minnesota housing and the Office of Economic Opportunity provide funding for this program to assist Itasca and Koochiching County clients In fiscal year 2018, the Transitional Housing program served 25 households (37 individuals) and a total of 101 households (242 individuals) received Crisis Rent Assistance 9) Through the MNSure program, KOOTASCA's trained and certified Health Care Navigators assist clients in applying for and enrolling in health care insurance options Funding for this program is made available through MNSure, Minnesota's health insurance marketplace In 2018, KOOTASCA's MNSure program successfully enroll 714 clients in a health insurance plan An additional 411 individuals received assistance from a Health Care Navigator in completing their MNSure applications 10) The Itasca Area Crisis Nursery Program at KOOTASCA helps families in crisis situations to ensure that children (ages 0-12) have a safe haven Placements are in collaboration with licensed childcare or foster care facilities and can be daytime or overnight for up to 48 hours The program also provides a 24-hour crisis line

Form 990, Part III, Line 4b:

Education 1) KOOTASCA Head Start is a comprehensive preschool program for low-income children (ages birth through five years old) in Itasca and Koochiching Counties. It provides children with a developmentally appropriate early childhood education. The program ensures that young children receive health checkups and treatment, oral health screenings, and nutritious meals every day. Parents also receive benefits when their children attend Head Start. The parents receive guidance from our program to help support their children at home and to help eliminate barriers to self-sufficiency. Parents learn to create stimulating home environments and engage in educational activities with their children. Head Start services are provided through a variety of program options, including Early Head Start Home Base (serving pregnant women, children to age three), an Early Head Start combination program, which includes both center-based care and monthly home visits throughout the year. We have classroom-based programming that is 4-5 days per week for children 3- to 5-years old. Parents of Head Start children are encouraged to volunteer through the program in a variety of ways and have the opportunity to build leadership skills by participating in the Parent Policy Council. Policy Council members are currently-enrolled Head Start parents and interested community members who act as a link between KOOTASCA Head Start staff and the families that the program serves. The Policy Council must work in partnership with key Head Start management and the KOOTASCA Board of Directors to develop, review, and approve policies, strategic directions, criteria for the recruitment, selection, and enrollment of children, funding applications, personnel and other business-orientated activities that require Policy Council's approval. In fiscal year 2018, KOOTASCA Head Start served 230 children and their families across Itasca and Koochiching Counties.

2) The Teen Age Parent Program (TAPP) began in the Grand Rapids school district in 1971. School districts were mandated by the State of Minnesota to provide educational opportunities to pregnant and parenting teens. In 1993, KOOTASCA Community Action assumed the operation and management of the Teen Age Parent Program as the funding allocations to the local school districts declined. The population that TAPP serves is one of our community's most vulnerable. Pregnant and parenting teens are the most likely to drop out of school, quite possibly leading to a life in poverty for the teenage parent and his or her child. KOOTASCA's TAPP program provides educational opportunities that count towards credit hours for high school graduation in a variety of settings that most fit the needs of the participant. TAPP provides additional education geared to the pregnant and parenting teen, including labor and delivery, prenatal nutrition, sudden unexpected infant death syndrome (SUIDS), shaken baby syndrome, birth control and sexually transmitted diseases (STDs), cooking and nutrition, personal finances and budgeting, etc. During the 2018-19 program year, 18 students were served by the TAPP program (13 females and 5 males). Of these 18 students, all 10 students planning to graduate at the end of the program year did, in fact, graduate.

Form 990, Part III, Line 4c:

Community Engagement KOOTASCA Community Action engages community partners to advocate for and collaborate on community strategies to fulfill our mission to end poverty. The agency's community engagement strategy includes the following programs:

- 1) KOOTASCA's Circles of Support program provides an opportunity for people in poverty to build social assets and skills, such as financial literacy and self-empowerment. Weekly meetings that include dinner and childcare are open to families and individuals experiencing poverty, as well as non-poor volunteers who are interested in improving conditions that impact people in poverty. In 2018, a total of 48 people participated in Circles of Support.
- 2) The Big View program provides education and creates community awareness of poverty-related issues, policy concerns, and systemic barriers that make leaving poverty more difficult. In 2018, a total of 7050 people attended 22 separate Big View community meetings.
- 3) The PCs for People program facilitated the distribution of refurbished computers to 107 low-income people (80 adults and 27 children) in 2018.
- 4) KOOTASCA's Frostbite Finds Thrift Store provides the community an opportunity to donate, volunteer, and shop to support KOOTASCA's work in Koochiching County, while also providing employment and job training opportunities for seniors, low-income youths, and individuals with disabilities. Volunteers provided over 1,270 hours of service at Frostbite Finds in 2018.
