The mission of Avenues for Homeless youth is to provide emergency shelter, short term and transitional housing and support services for homeless youth in a safe and nurturing environment. Through such service, Avenues seeks to help youth achieve their personal goals and find a positive transition into young adulthood.

Form 990, Part III, Line 4a - First Accomplishment

During the year ended June 30, 2019, Avenues for Youth continued to strengthen its programs and services in response to the continued growth in youth homelessness and the complexity of youth needs. Highlights included the creation of a new three-year strategic plan. After several years of significant growth, this strategic plan focuses on centering youth and social justice at the core of Avenues' work and enhancing our effectiveness and impact. This plan was created through consensus of Board and staff, based on input from youth and community partners.

By June 30, 2019, Avenues was operating six shelter and transitional housing programs in the Twin Cities that supported more than 300 youth, including young families. While participating in an Avenues program, youth no longer need to put their energy into survival. With shelter and all basic needs met, they can work with our staff to address other immediate issues, focus on important aspects of their development, and pursue their personal goals for education, employment, relationships, health and wellness, learning life skills and stable housing.

Avenues' Emergency Shelter and Transitional Housing Programs:

During fiscal year 2019, our two emergency shelter and transitional housing programs supported 189 youth, as follows:

"Minneapolis Avenues supported 107 youth. Of those, 70 youth lived at Avenues and participated fully in the program and another 37 used the overnight emergency bed at least one night. Of the 50 youth who exited during this timeframe, 76% moved to a stable living arrangement.

"Brooklyn Avenues supported 82 young people. Of those, 22 were in the program and 54 used the emergency bed for at least one night. Of the 17 youth who moved out, 82% moved to a stable housing environment.

In total, 78% of the youth who lived in the two programs and received our full supportive services (52 out of 67) moved into stable housing upon exit from the program. This exceeds our goal of at least 70% moving to stable living arrangements and is a testament to the great work of our staff and youth.

While living at Avenues, youth receive all basic needs support (bedroom, bathroom, three meals per day, personal supplies, laundry, transit passes, access to computers and phone), along with 24 hour caring and guidance from our staff and trained volunteers. We take a care coordination approach - each youth has access to our team that includes case managers, mental health therapist, nurse, education and career specialist, independent living skills specialist and community partners. Youth live at Avenues 90 to 120 days on average.

At any point in time, another 40 to 50 youth who have moved out of Brooklyn

Community-Based Host Home Programs:

Avenues for Youth coordinates two Host Home Programs - the GLBT Host Home Program and the ConneQT Host Home Program. These community and volunteer-based initiatives match homeless youth ages 16 - 24 with volunteers in the community who have been recruited, screened and trained by Avenues.

The GLBT Host Home Program and the ConneQT Program support homeless youth who identify as gay, lesbian, bisexual, transgender and queer. Their hosts are LGBTQ themselves or allies.

The process of matching youth and hosts is youth-driven. While in their host home, youth receive all basic needs and have the opportunity to work with their case manager and other specialists on our team to identify and address their longer-term personal goals. While the average length of stay is relatively short, the hosting arrangement usually is life-changing, both for hosts and youth.

The overall goal for these programs is to provide homeless youth with the stability, support and coaching they need so, when they leave their host homes, they have a vision for their future and are building the skills and relationships needed to pursue that vision. Simultaneously, we are fostering connections and building community.

During fiscal year 2019, our host home programs supported young people, as follows:

-The GLBT Host Home Program supported 13 youth and of the youth who exited, 87% exited to stable housing. Youth stay an average of twelve months in this program.

-The ConneQT Host Home Program supported 14 youth and of the youth who exited, 85% exited to stable housing. Youth stay up to three months in ConneQT host homes.

Another 122 LGBTQ-identified youth not living in host homes were provided case management support on an outreach basis during FY19.

In fiscal year 2019, Avenue launched a new pilot program called Abule, which will support and house youth that identify as Black, Indigenous and people of color (BIPOC). Avenues facilitated listening sessions with BIPOC community members to create a program that would best support youth experiencing homelessness from these communities. The program pairs community members and youth experiencing homelessness to share space, while building community and centering sharing power. Recruitment of community members to share space with youth will begin in the fall of 2019. The program will ultimately support 10 youth annually. Program staff will also support replication of the model regionally and nationally.
