Form 990, Part III, Line 4a:

Lending As a Community Development Financial Institution (CDFI) certified by the US Treasury, Propel Nonprofits makes loans to nonprofit organizations to expand programs and services, bridge cash flow gaps, consolidate debt, and make capital improvements. We believe that access to capital is essential to the growth and stability of the nonprofit sector. Propel Nonprofits makes loans to nonprofits of all sizes and stages of development, many of which have been historically under-served by traditional credit markets. Loans are as large as \$1 million and as small as \$10,000. Overall, we made 113 new loans in FY2019 totaling \$20,791,943. Our lending impacted organizations working in health care, human services, arts and humanities, charter schools, community development, and affordable housing. By partnering with other capital providers, we also leveraged additional funds of \$19 million into the community. Within the lending program, Propel Nonprofits has continued the innovative Equity Builder Loan Program. This program includes intense technical assistance, a cohort learning process, loan forgiveness, and a structured savings program that brings equity to

the balance sheets of Minnesota-based arts and culture nonprofits. Ultimately, the goal is to allow the leaders of these organizations to be more strategic and visionary in

term in nature or may be exploring whether becoming a separate nonprofit is the most appropriate long-term strategy to accomplish their mission. Propel Nonprofits accepts charitable grants and contributions on behalf of these projects. These funds are treated as contributions with donor restrictions when received by Propel Nonprofits. These funds are released from restriction as Propel Nonprofits in turn grants them to the fiscally sponsored recipients. Propel Nonprofits ultimately retains the discretion to redirect the funds to another entity if needed in order to accomplish the purpose of the contribution as originally restricted by its donor. Once the funds have been granted to the fiscally sponsored client, the client has the option to hold and manage those funds on its own or enter an arrangement with Propel Nonprofits in which Propel administers the funds on behalf of the client. Along with the fiscal management option, Propel Nonprofits provides extensive technical assistance on topics such as financial leadership, board

Fiscal Sponsorship Propel Nonprofits acts as a fiscal sponsor to emerging projects based in Minnesota, North Dakota, South Dakota, and Wisconsin that for various reasons have not yet established themselves as separate 501(c)(3) nonprofit organizations. These entities may be in the process of applying for 501(c)(3) status or may be short-

Strategic Services Propel believes that nonprofits are experts in their own purpose, mission, culture, and approach to their own work. At Propel we see our role as a mutual partner that assist nonprofits align their vision, get their boards and leadership teams on the same page, leverage conflict for better communication, and help equip nonprofits with the tools to be more effective with reaching their mission. The tools that Propel use are strategic planning, organizational development, board development.

Supplemental Information

Return Reference	Explanation
Schedule D, Part IV, Line 2b	The combined organization acts as a fiscal sponsor to emerging projects based in Minnesota , North Dakota, South Dakota, and Wisconsin that for various reasons have not established themselves as separate 501(c)(3) nonprofit organizations. These entities may be in the process of applying for 501(c)(3) status or may be short-term in nature or may be exploring whether becoming a separate nonprofit is the most appropriate long-term strategy to accomplish their mission. Propel Nonprofits accepts charitable grants and contributions on behalf of these projects. These funds are treated as contributions with donor restrictions when received by Propel Nonprofits. These funds are released from restriction as Propel Nonprofits in turn grants them to the fiscally sponsored recipients. Propel Nonprofits ultimately retains the discretion to redirect the funds to another entity if needed to accomplish the purpose of the contribution as originally restricted by its donor. Once funds have been granted to the fiscally sponsored client, the client has the option to hold and manage tho se funds on its own or enter an arrangement with Propel Nonprofits in which Propel Nonprofits administers the funds on behalf of the client. If the client chooses to have Propel Nonprofits administers trunds, those funds become a liability of Propel Nonprofits and are recorded as such for accounting purposes. The arrangement includes Propel Nonprofits holding the client's funds in a custodial account, providing bookkeeping and accounting services, and assisting in other administrative duties related to those funds. In this arrangement, the management of the fiscally-sponsored client directs the use of the funds. Propel Nonprofits simply executes the mechanics of the transactions.

upplemental Information		
Return Reference	Explanation	
Schedule D, Part X, Line 2	- Propel Nonprofits is exempt from Income taxes under section 501(c)(3) of the Internal Re venue Service Code. It has been classified as a public charity that is not a private found ation under the Internal Revenue Code and charitable contributions by donors are tax deduc tible. Propel Nonprofits is also exempt from state income taxes. Propel Nonprofits evaluat ed its tax positions and determined that it has no uncertain tax positions.

Return Reference **Explanation** Schedule I, Part I, Line 2 Grants are made to client participants in our Social Enterprise Cohort, Equity Builder Loan Program, Fiscal Sponsorship Program, and Nonprofit Infrastructure Grant Program (NIGP) In all four of these programs, clients must apply and are vetted for fit and probable success. For clients that are grantees in the Social Enterprise Cohort and Equity Builder Loan Program, the grantee must be actively participating in the program, attending required meetings and trainings, and meeting minimum programmatic and financial thresholds. Our program staff are in constant contact with the client participants and monitor their progress. Each applicant to the fiscal sponsorship program applies and is vetted by a committee of board, staff, and community members. Once accepted as a fiscally sponsored client, most of these clients have engaged Propel Nonprofits to provide ongoing program and accounting support. Grantees of the NIGP applied to and were accepted by a committee of community representatives. For both the fiscal sponsorship program and the NIGP, grantees are constantly monitored and supported. Program activities include a wide variety of

offerings, including the following support for organizational requirements during onboarding, access to no cost or discounted training, guidance on financial management, governance, and strategy, no cost or discounted consulting services, invitations to participate in peer learning, and additional technical assistance provided by Propel Nonprofits staff Schedule I (Form 990) 2018
