**Form 990, Part III, Line 4b:**

Social Services Program -VEAP's Social Services Programs provide holistic service delivery with housing stability at the center of our focus. Services include referrals, resource navigation and coordination, tenant/landlord advocacy and emergency financial assistance in the form of rent or deposit assistance to maintain housing stability. Other financial supportive services include gas/bus cards and car repair assistance. In 2018 VEAP provided a total of \$149,922 in financial assistance, \$2,913 for gas/bus cards, \$3,533 for car repairs, \$139,583 for rent/deposit payments, and \$3,893 for other types of basic needs assistance including gift cards and utilities. Clients work with a Licensed Social Worker, Housing Specialist, or Community Health Worker, using a strengths-based approach to access resources to prevent homelessness and stabilize income. These staff also meet with new food clients to better understand the situation that precipitated their food emergency. Through the assessment process, clients are connected with other VEAP programs and community resources to help them regain stability quickly. Individuals and families accessing financial assistance to prevent homelessness through the VEAP Social Services program are spending between 60-80% of their income on rent. Three months post program exit, 95% of survey participants are at the same residence, and there's a 25% increase in those who are paying less than 65% of their income to rent. At exit, there's a 70% decrease in number of households paying more than 80% of their income on rent compared to entry.
