990 Schedule O, Supplemental Information

Return Reference	Explanation
Other	Pt III - Volunteer program - since the services of our volunteers generally do not require specialized skills, their value is not recorded in the audited financial statements because no objective basis is available to measure the value. An estimate of the value of such services is not included in the 990 per IRS instructions. TWSH generally pays for services requiring specific expertise.
Pt VI, Line 11b	The 990 draft was emailed to board members with a comment period and a request that each member respond during that period with either an approval or with additions/corrections. Responses were then summarized and any changes were forwarded to the tax preparer.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Pt VI, Line 12c	All board members, including new members, are required to sign the conflict of interest statement on an annual basis
Pt VI, Line 15a	and Line 15b - Annually, generally in May, the board president sends an executive director review form to board members, compiles the results of the comments, and meets with the executive to report the comments/recommendations of the board members. At this time the executive director submits a self-review. After a formal discussion with the executive committee, annual goals and objectives are set and remuneration is reviewed and determined. The compensation of the executive director and other key employees is consistent with others in similar organizations in the St. Louis area. Budgetary considerations are also taken into account when determining compensation.
