The organization had a written contract with the vendor in the first year of services but has, in subsequent years, had an oral agreement about the services to be provided and the related fees. At no time did the vendor have any access to contributions. The amount in Part I, 2b, col iv is the amount of contributions from the fall 2015 appeal letter designed by the vendor in the previous fiscal year. There were most likely other contributions received in part due to the high quality of the materials produced by the vendor, but there's no way to determine the amount. Consequently, the amount in col vi is understated.
