We originally filed a 990N for the organization because the organization believed that their receipts were less than \$50,000. They did not understand that the grants from the national office with which they are affiliated counted as receipts. Additionally, the organization had a sponsor approach them about doing a fundraiser, and they included only the net receipts from the fundraiser, instead of the gross receipts. When preparing their 2016 return, we discovered the error and are filing this amended return to report the correct amounts, including both the grants from the affiliated national office and the gross receipts from the fundraiser.
