Academic SupportStudents receive homework help, participate in hands-on STEAM (Science, Technology, Engineering, Arts and Math) projects, and engage in a culturally relevant curriculum that emphasizes experiential learning. We provide one-on-one daily English literacy tutoring in order to accelerate the students' acquisition of the English language. OurBRIDGE for KIDS aims to close the communication gap between school, teachers and families through the coordination of home visits, translation of school documents, and the organization of literacy nights and cultural events for parents at our center. When needed, we also provide parents transportation and translation support at teacher conferences and serve as the liaison between parents and schools. In the summer months the fun continues with a 4-week long high-energy and practical learning program. Designed to help the kids prepare for the new school year, we take them on four field trips in July and August and invite the parents to join the experience with their children.
