Family Solutions For children and youth who are at risk of removal from their family or have been removed, CEDARS provides services to help keep the family unified, reunify the family, or prepare the youth for independent living. Family Support Services are intended to facilitate parent participation in child-directed interactions, use of positive social praise, and introduction of parent-directed activities, including daily living activities of parenting such as bedtime rituals, toilet training, curfew, consequence, chores, etc., use of appropriate coping skills to manage the parents'/caretakers' behavior, appropriate discipline and specific interventions. Demonstrated, specific skills taught establish a nurturing and secure relationship while increasing a child's pro-social behavior and decreasing negative behavior. Services also provide the supervision required to control and manage safety concerns identified by referral sources. Visitation services provide for supervision of the interaction between a child(ren) and his/her parent(s) as part of a Safety Plan and/or court order. This service is provided when a child has been placed outside the home or for supervision of the parent and child interaction when a child has not been removed from the home but safety must be controlled and managed. Healthy Families, in collaboration with Lincoln Lancaster County Health Department, provides outreach services to at-risk teen mothers and first-time single-parent families providing pre-natal and post-natal services that combine nursing services and parenting resources. Using the Healthy Families America evidenced-based practice, this model utilizes social work and case management as a support to home visitation nursing services. Partners in Permanency (PIP) "wraps" services around families in need to address the issues that may cause the family to lose custody of their child. The family's needs are identified through a comprehensive process involving both the youth and his or her family, and results in a unique set of community services that support the family and make it possible for the child to remain in the home and in the custody of their family.
