<b>Return Reference</b>	<b>Explanation</b>
Form 990, Part VI, Section B, line 15	<p>SFCS has a formal executive compensation program which include a job description, evaluation process and compensation philosophy that supports the mission, goals and objectives of the organization. The SFCS Board reviews the CEO's compensation on an annual basis to ensure it remains consistent with the SFCS's overall compensation philosophy, policies, practices and is in compliance with applicable laws and regulations. A comparative job analysis was prepared by the CFO utilizing comparable market based survey data. The analysis was provided to the Chairman and Board of Directors for use in determining the annual compensation for the CEO. The comparable market data included professional salary surveys and the 990s of multiple organizations with similar scope, operations, positions and geographic location were utilized in the analysis. Periodically, in addition to the salary analysis completed by the CFO, an outside compensation consultant is utilized to review the data. GuideStar was also utilized to do a targeted salary comparison utilizing comparable data. After reviewing comparable compensation data and providing 360 degree performance feedback, the Board and its committees recommended and approved the annual CEO compensation. The decisions of the Board were documented and executed. Part VI, Section B, line 15b - SFCS has a formal compensation policy and procedure for all staff, including officers. This formal compensation program includes job descriptions, annual evaluations, comparable market based salary data and compensation philosophy that supports the mission, goals and objectives of the organization.
