Form 990, Part III, Line 4b:

Community Education and Development Programs Our education and community development programs are designed to create opportunities for individuals and communities to become economically self-sufficient and to help lift everyone out of hunger. Many of these efforts were coordinated through our Community Food Resource Center, which reached an estimated 16,000 people. Major features of this work included:

- * Our Farm, Garden, and Farm-to-School teams provided education on food production to over 12,000 individuals. They also helped to install 13 gardens at schools and local agencies, as well as 20 backyard gardens, while supporting many existing garden installations. Overall, the program helped create over 800,000 servings of locally grown food, while providing many new platforms for community engagement, fellowship, and empowerment.
- * Our Local Food Pathways team managed three farmers' markets and oversaw the continuing development of a farm-to-institution brokerage chain linking local farmers and the food to institutions. These efforts provided over \$375,000 in food sales, the equivalent of over 1,000,000 servings. The markets also provided education to 7,650 people.
- * We continued our support of the Closing the Hunger Gap Network, a national peer learning group consisting of over 60 organizations across the country dedicated to ending hunger through community empowerment.
- * In partnership with Feeding America, our national network of food banks, and the Association of Arizona Food Banks, we continue to advocate for successful "War on Poverty" interventions. These have included the Supplemental Nutrition Assistance Program (SNAP), The Emergency Food Assistance Program (TEFAP), the Commodity Supplemental Food Program for seniors (CFSP), as well as state and local policies that strengthen local food-systems, including those favorable to local and urban agriculture.
- * We provided direct assistance with accessing governmental programs, including SNAP. Clients we have helped to enroll in SNAP benefits cumulatively received nearly 1.6 million meals worth of food assistance through the program.
- * We operate Caridad Community Kitchen. Caridad runs a 10-week Culinary Training Program and, in the past year, provided 149,065 nutritious hot meals, sack lunches, and after school snacks in our community. The Culinary Training Program trained 38 individuals in the culinary arts. With an 86% employment rate, Caridad graduates are succeeding in the workplace, finding employment at Fox Restaurant Concepts, Whole Foods, Desert Diamond Casino, Gospel Rescue Mission, and Marriot hotels, and more. Caridad's food enterprise program, "Caridad Catering: Food for the Social Good," generated revenue to support the kitchen's programs and cultivated strong relationships with corporations and community partners.

Part X, Line 2	<p>The Organization is exempt from federal and state income taxes under the Federal Internal Revenue Code ("IRC") Section 510(c)(3) and Arizona income tax laws, and is classified as other than a private foundation under IRC Section 509(a)(1). The Organization also qualifies for the charitable contribution deduction under IRC Section 170(b)(1)(a). Management has considered its tax positions in accordance with the accounting standard for uncertainty in income taxes and believes that all of the positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. In addition, Management is not aware of any matters which would cause the Organization to lose its tax-exempt status. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed. Should the Organization ever be subject to interest and penalties related to unrecognized tax benefits, they would be classified in management and general expenses in its accompanying financial statements. During the years ended June 30, 2017 and 2016, the Organization did not recognize any interest and penalties.</p>

Return Reference	Explanation
Part I, Line 2	All grants are awarded based on the grantee's capacity to carry out the project, financial soundness of the organization and the specific criteria of the grant. During the current year we had two main grant initiatives. The Punch Woods Endowment Grants are limited to supporting Community Food Security programs. A panel of food bank staff and community leaders review applications from eligible 501(c)(3) organizations. Depending on the number of applicants and fund requested, any number of applications may be funded until the funds are depleted. This is an annual process and all awardees are chosen and paid at one time. In addition to the Punch Woods grants, we also award agency capacity building grants. Agency capacity building grants are awarded agencies who have or will partner with the food bank or who's impact on the community compliments the food bank's mission. These awards are designed to improve an organization's long-term ability to serve its constituency, increase the quality of its programs or meet compliance standards allowing continued service as a food bank partner. The applications for these grants are reviewed by staff members and awarded as needed throughout the year. Depending on the use of the funding, staff will either observe the outputs in person or receive evaluative reports from the grantees in order to monitor the use of the funds.
Sch I, Part III, Line 1	The Organization uses a proprietary software program to track receipt of non-cash grants by individuals. The State sets parameters for eligibility for certain programs which the Organization also tracks through specialized software. The Organization uses monitoring to track non-cash grants used by its agencies. This monitoring covers both requirements of the granting agency and those imposed by the Organization itself. Monitoring is logged in paper and electronic files, depending on the requirement.
