## Supplemental Information

Return Reference	Explanation
Part X, Line 2	<p>The Center is a not-for-profit organization exempt from Federal income other than net unrelated business income tax under Section 501(c)(3) of the Internal Revenue Code and is recognized as such by the Internal Revenue Service. The provisions included in accounting principles generally accepted in the United States of America provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition of tax positions taken or expected to be taken in a tax return. The Center performed an evaluation of uncertain tax positions as of September 30, 2017, and determined that there were no matters that would require recognition in the accompanying financial statements or which may have any effect on its tax-exempt status. As of September 30, 2017, the statute of limitations for fiscal years 2014 through 2017 remains open with the U.S. Federal jurisdiction and the various states and local jurisdictions in which the Center files tax returns. It is the Center's policy to recognize interest and/or penalties for uncertain tax positions, if any, as income tax expense in the statement of activities and changes in net assets.</p>
