Supplemental Information

Return Reference	Explanation
Part X FIN48 Footnote	<p>The Center is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code except for unrelated business income earned. There was no unrelated business income activities during the year ended December 31, 2018. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Center may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Center and positions related to the potential sources of unrelated business income tax (UBIT). The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits related to uncertain tax positions identified or recorded as liabilities for the year ended December 31, 2018. The Centers policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during the year ended December 31, 2018. The Centers Forms 990, Return of Organization Exempt from Income Tax, that have been filed as of December 31, 2018, for the years ended December 31, 2017, 2016, and 2015, are subject to examination by the Internal Revenue Service, generally for three years after they were filed.</p>
