## Supplemental Information

Return Reference	Explanation
Part X, Line 2	<p>WACIF has applied for and received a determination letter from the Internal Revenue Service ("IRS") to be treated as a tax exempt entity pursuant to Section 501(c)(3) of the Internal Revenue Code and did not have any unrelated business income for the year ended December 31, 2016. Due to its tax exempt status, WACIF is not subject to income taxes. WACIF is required to file and does file tax returns with the IRS and other taxing authorities. Accordingly, these financial statements do not reflect a provision for income taxes and WACIF has no other tax positions which must be considered for disclosure. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires WACIF to report information regarding its exposure to various tax positions taken by WACIF. WACIF has determined whether any tax positions have met the recognition threshold and has measured WACIF's exposure to those tax positions. Management believes that WACIF has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state tax authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties assessed to WACIF are recorded in expenses. No interest or penalties from federal or state tax authorities were recorded in the accompanying financial statements. The federal and state income tax returns of the Company since 2013 are subject to examination by the IRS and state taxing authorities, generally for three years after they were filed.</p>
