Supplemental Information

Return Reference	Explanation
Part IV, Line 2b	<p>In 2015, the Organization received a \$902,000 grant from the William R Kenan, Jr Charitable Trust to support expansion of 211 coverage to all residents in Kentucky, enhance 211 Counts (a tool to provide searchable and visual presentations of data from 211 call centers across the nation), and provide 211 Counts across Kentucky and New York. Additionally, funds would be used to develop and evaluate 211 Counts' implementation toolkit, and train 211 to use the toolkit in North Carolina, Florida, Kentucky, and New York. In accordance with the terms of the grant agreement, the Organization did not have variance power for funds totaling \$804,000 and, as such, amounts not yet expended were included in cash and cash equivalents and as agency funds held on the statement of financial position. These amounts totaled \$119,856 as of December 31, 2016. On September 1, 1982, the Organization entered into a contract with the State of North Carolina, Department of Administration and Office of State Budget and Management, to act as administrator for the North Carolina State Employees Combined Campaign ("SECC"). This contract was amended in December 2015 with an effective start date of January 2016 through December 2018. Under the present agreement, the Organization maintains an account to receive state employee contributions of cash, credit card, and payroll withholdings, which are received from various state payroll disbursing offices. The Organization distributes the funds based on statewide campaign results. Cash held by the Organization, to be distributed on behalf of the SECC, was \$619,219 (including \$70,540 to be transferred from the Organization's merchant account) as of December 31, 2016. In 2016, the Organization entered into a Memorandum of Understanding with the Governor's Office of North Carolina to assist with helping areas affected by Hurricane Matthew. Under this agreement, the Organization will hold funds collected by the Governor's office and these funds are to be disbursed by the Organization in accordance with the eligibility requirements and allowable cost provisions in the contract between the Organization and the Governor's office. Cash held by the Organization, to be distributed on behalf of the Governor's office, was \$634,022 as of December 31, 2016. The Organization did not have variance power over the full amount, and, as such, \$652,382 was recognized as agency funds held as of December 31, 2016.</p>

Supplemental Information

Return Reference	Explanation
Part X, Line 2	<p>The Organization follows the Financial Accounting Standard Board guidance on accounting for uncertainty in income taxes. The guidance clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements by prescribing a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The Organization's policy is to record a liability for any tax position taken that is beneficial to the Organization including any related interest and penalties, when it is "more likely than not" (more than 50% likelihood) the position taken by management with respect to a transaction or class of transactions will be overturned by a taxing authority upon examination. Management believes there are no such positions as of December 31, 2016 and, accordingly, no liability has been accrued.</p>
