Supplemental Information

Return Reference	Explanation
FORM 990, SCH D, PART X, #2	NCM annually evaluates all federal and state income tax positions. This process includes a n analysis of whether these income tax positions NCM takes meet the definition of an uncertain tax position under the Income Taxes Topic of the Financial Accounting Standards Codification. In the normal course of business, NCM is subject to examination by federal and state taxing authorities. NCM believes it is no longer subject to tax examinations for tax years ending before December 31, 2014. During December 2017, the President of the United States of America signed into law the Tax Cuts and Jobs Act. The law is generally effective for the tax years beginning in 2018, and therefore NCMs current tax liability for any potential unrelated business income tax will not be affected until the year ending December 31, 2018. There are other changes to the tax law that may affect NCM but the magnitude of such changes has not been determined.
