Form 990, Part III, Line 4a:

In 2018, Boys & Girls Clubs of Tampa Bay proudly served 22,033 youth ages 5-18 throughout Hillsborough and Pasco Counties. In serving youth, our mission is to identify those "who need us the most" and for Boys & Girls Clubs of Tampa Bay, that focus is on families and youth facing the effects of poverty. Of the youth served throughout our Clubs, 78% live at or below the federal poverty level. To best combat the affect of poverty on young individuals, Boys & Girls Clubs is dedicated to providing three pillars of development to our youth. The first pillar of Academic Success is focused around grade advancement and ultimately high school graduation. This is achieved through structured programs that enhance the child's learning environment. In 2018 the high school graduation rate among high school Seniors who regularly attended our Clubs was 98%. The second pillar of focused development is Health & Wellness. With 81% of our youth qualifying for free or reduced school lunches, the focus on health, nutrition and wellness is critical to their academic success. Youth in our Clubs participate in programs to support healthy eating habits. Other programs focused on wellness include healthy decision making to prevent youth from taking on risky behaviors. Of the youth who participated in our programming in 2018, 89% either reduced the number of or had zero school suspensions. The third pillar of development is Character & Leadership. Programs here focus on instilling a sense of confidence through exposure to the community around them through education and service. More than 25,800 hours of community service were completed by our youth members in 2018. Combined with focused programming, our Clubs serve as a safe place youth can find structure and a sense of belonging. Through mentoring, a sense of self-worth, ability to contribute to the community around them, and independence are critical life skills developed at Boys & Girls Clubs of Tampa Bay.

In accordance with these professional standards, the Organization recognizes tax positions only to the extent that Management believes it is "more likely than not" that its tax positions will be sustained upon IRS examination. Management believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements for the years ended December 31, 2018 and 2017. The Organization believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results of operations or cash flows.
