Name: YOUNG MEN'S CHRISTIAN ASSOCIATION

Form 990 (2016)

Form 990, Part III, Line 4a:

Youth Development The YMCA of Northwest Florida is an association of men, women and children of all ages and from all walks of life joined together by a shared passion to strengthen the community for everyone. Thanks to the generous support of donors, we were able to make the Y experience open to everyone, including those who were in need regardless of their financial situation. Last year our local community outreach totaled over 400,000 to ensure that everyone had an opportunity to participate. We have been the community's leader in childcare for more than 40 years, responding to the critical need for quality childcare that supports and strengthens all families. We are dedicated to nurturing the potential of kids in a safe and fun-filled environment where kids and young teens can learn, grow, and thrive together. Last year we reached over 1,400 children in afterschool programs at our branches and on-site at schools, serving about 400 youth on any given day. We are the largest local provider of school-age childcare and continue to expand the quality of our programs through a curriculum that emphasizes educational enrichment and vigorous, active play. During summer months and school breaks, children need a safe program that combats summer learning loss and physical inactivity. YMCA camp promotes hands-on learning and interaction with a diverse group of others - a great alternative to hours of screen time or an empty house - and offers plenty of exercise. We reached over 1,000 children through our summer day camp and school holiday camps last year. The summer camp at the Pullum Branch and Northeast Branch proactively served children with disabilities through the National Inclusion Project's Let's All Play program. Through our state-licensed Voluntary Pre-Kindergarten program (Pullum Branch), we develop school readiness skills for 4-year-olds to help prepare them for future success in school. At the end of last school year, every child in this program tested above the state readiness average for children entering kindergarten. We serve 20 children through this program. In Y sports programs, we build skills, teach values, and promote fun. An alternative to highly competitive programs, we have no tryouts. Rather, each child plays at least half of every game, and we encourage parent involvement. Last year, over 1,500 children and 200 volunteers actively participated in sports including soccer, flag football, basketball, volleyball, and baseball. In a coastal Florida community, our children's safety in and around the water is a top priority. Swim lessons at the Y give children the skills to be safe in the water, plus a sense of accomplishment from learning something new and a great way to exercise for life. We taught over 1,300 swim lessons last year, while providing thousands the chance to enjoy recreational pool time. Healthy Living We believe that personal wellness is vital for the men, women, and children we serve. Our goal is to create opportunities for our members to feel healthy, welcome, and connected as they grow in spirit, mind, and body. This year, over 12,000 men, women, and children from all walks of life gathered at the Y for fitness and fellowship. We expand our definition of healthy living beyond our buildings. Our Corporate Cup Games promote wellness in the workplace while building company pride and camaraderie. Weight loss challenges offer adults the support and good-natured competition needed to make lasting changes in their health. Our Senior Program (Pullum Branch) provides specific classes and opportunities for physical activity as well as social connection for our active older adult members, who comprise about 20% of our overall membership. Social Responsibility We believe that the Y's resources belong to the community, so we share our facilities with individuals and groups. We open our buildings to community groups such as scouts, churches, and other nonprofits who need a place to meet, work, and play. Our Pullum Branch serves a local church congregation, which holds its weekly services at our Y in the absence of a building of their own. We support other area nonprofits by offering membership packages to help them in their event fundraising. Through our Halloween at the Y event, we offer a safe and fun trick-or-treating experience for 300 special needs children who have the chance to engage with others in this unique holiday party. We also engaged in program partnerships with Baptist/Andrews Institute, Sacred Heart Health Systems, and ARC Gateway to offer meaningful wellness programs to the community. Finally, we step outside our walls to participate in community education and outreach events that benefit individuals from all walks of life.

FORM 990, PART VIII, LINE 2A, PROGRAM FEES	<p>Health and Enhancement - We believe everyone should have the opportunity to pursue health in spirit, mind, and body. As the leader in health and wellness, the YMCA enables people of all ages, interests, and abilities to enjoy keeping fit in a wholesome and supportive environment. Y Assistance is offered for memberships of all types for those in financial need. About 12% of our members enjoyed membership through our Y Assistance program.</p> <p>Aquatics - In our pools, we provide water safety and swim instruction as well as family recreational opportunities. These skills are essential to families in Florida, where drowning is the number one cause of accidental death of young children. We have expanded our summer camps to include daily swim instruction for campers. As a result, virtually every child tested was able to swim the length of the pool without the aid of a flotation device by the end of camp.</p> <p>Sports - Our sports philosophy maintains that every participant should have the opportunity to play and feel successful while learning sportsmanship and developing confidence. Y youth sports programs offer children strong, appropriate role models who help youth develop a positive self-image and respectful attitude. As the inventor of basketball and volleyball, the Y continues to be a strong proponent of recreational sports as a tool to teach values, develop physical skills, and promote overall wellness.</p> <p>Childcare - As parents struggle in today's economy to meet the financial obligations of raising children, the economic hurdles they face are compounded by costs associated with affording quality childcare. Our Y meets that need today by providing safe, quality, values-based childcare to families from a range of socioeconomic sectors in 12 locations throughout the two-county area. We readily establish childcare programs in those pockets of the community most in need of this service - areas where private providers are unwilling to operate with the deficits we know we will face. These sites serve a disproportionate number of minority youth, who also tend to be in lower performing schools, making the safety and academic enhancement of after-school care even more critical. Last year, among all children in our childcare programs, about half received some level of Y Assistance. For all of these families, the ability to access childcare is critical to continued employment or school enrollment.</p> <p>Camping - YMC A camp provides young people an opportunity to form new and lasting friendships, share discoveries and experience the natural wonders of the outdoors. We carefully select and train our counselors to provide the leadership and guidance needed to ensure a safe, quality camp experience, which promotes personal growth and development among our young participants. We have continued enhancing our camps to provide more music and movement, vigorous physical activity, hands-on field trips that promote learning and exploration, and opportunities to work on literacy and math.</p>

FORM 990, PART VIII, LINE 2A, PROGRAM FEES	<p>skills to combat summer learning loss In all of our programs, our goal is to develop the total person in spirit, mind, and body Today's young people are faced with more potentially harmful choices, and at an earlier age, than any previous generation Studies that track the relationship between indicators of child health and well-being and the later successes or failures of these youth indicate that those children who lack support, nurturing, and quality experiences early in life spend years trying to catch up and often never do In stead, they drop out of school, become involved in the juvenile justice system, have babies as teens, become dependent on the social welfare system, and struggle to hold down a job The overwhelmingly positive effects that values-based, quality programs such as the YMCA 's have on child development is well documented To this end, our mission compels us to provide financial assistance whenever possible to help youth and families of all racial and socioeconomic levels benefit from YMCA programs</p>
