Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission

To provide low-income uninsured families access to care for acute and chronic medical issues by means of volunteerism, community financial support and community partnerships

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported

4a (Code) (Expenses \$ 2,800,112 including grants of \$) (Revenue \$ 8,314)

Since 1977 the Clearwater Free Clinic (CFC) has provided low-income uninsured families access to care for acute and chronic medical issues by means of volunteerism, community financial support and community partnerships. In 2014 a behavioral health program was added to the list of Clinic services. The clinic, a volunteer driven non-profit, non-government medical facility, provides health care at no cost to those who do not qualify for government assistance and cannot afford private medical care. Those who qualify financially and live in mid or upper Pinellas County are eligible for Clinic services which include but are not limited to medical office visits, behavioral health assessments and counseling, medications, lab work, x-rays, specialty referrals, diabetic counseling, patient education and hospital based procedures. Without the assistance of the Clearwater Free Clinic, local uninsured families would look to our local emergency departments for non-emergent care, at a great cost to themselves and the hospitals. More upsetting is that many of the uninsured have ignored significant health problems not wanting to incur debt and without accessible health care present to the CFC with a high medical acuity requiring significant intervention to improve their health and obtain positive outcomes.

Return Reference	Explanation
Part V, Line 4	The Organization's endowment consists of two individual funds established for the purpose of providing a continuous source of funds and income to the clinic, to perpetuate the essential functions and health care services of the clinic, to the public The Organization has adopted an investment policy, approved by the Board of Directors, for endowment assets that attempts to provide a predictable stream of funding to programs supported by its endowment funds (both board-designated and donor restricted) while also maintaining the purchasing power of those endowment assets over the long-term Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make distributions when necessary, while growing the funds if possible Investment risk is measured in terms of the total endowment fund, investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk
