**EIN:** 59-1852871

**Name:** Clearwater Free Clinic Inc

Form 990 (2017)

---

### **Form 990, Part III, Line 4a:**

Since 1977 the Clearwater Free Clinic (CFC) has provided low-income uninsured families access to care for acute and chronic medical issues by means of volunteerism, community financial support and community partnerships. The clinic, a volunteer driven non-profit, non-government medical facility, provides primary health care and behavioral health services at no cost to those who do not qualify for government assistance and cannot afford private medical care. Those who qualify financially and live in mid or upper Pinellas County are eligible for Clinic services which include but are not limited to medical office visits, behavioral health assessments and counseling, medications, lab work, x-rays, specialty referrals, diabetic counseling, patient education and hospital based procedures. Without the assistance of the Clearwater Free Clinic, local uninsured families would look to our local emergency departments for non-emergent care, at a great cost to themselves and the hospitals. More upsetting is that many of the uninsured have ignored significant health problems not wanting to incur debt and without accessible health care present to the CFC with a high medical acuity requiring significant intervention to improve their health and obtain positive outcomes.

## Supplemental Information

Return Reference	Explanation
Part V, Line 4	<p>The Organization's endowment consists of two individual funds established for the purpose of providing a continuous source of funds and income to the clinic, to perpetuate the essential functions and health care services of the clinic, to the public. The Organization has adopted an investment policy, approved by the Board of Directors, for endowment assets that attempts to provide a predictable stream of funding to programs supported by its endowment funds (both board-designated and donor restricted) while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make distributions when necessary, while growing the funds if possible. Investment risk is measured in terms of the total endowment fund, investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.</p>

Return Reference	Explanation
Part X, Line 2	<p>The Organization is a not-for-profit organization that is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and state income taxes under Chapter 220 13 of the Florida Statutes. The Organization accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The Organization has identified its tax status as a tax-exempt entity as its only significant tax position, however, the Organization has determined that such tax position does not result in an uncertainty requiring recognition. The Organization is not currently under examination by any taxing jurisdiction. The Organization's federal returns are generally open for examination for three years following the date filed.</p>
