The Parent-Child Center, Inc (PCC), a member of Community Partners, is a not-for-profit organization providing the highest quality behavioral health therapy and counseling services to children and families in Palm Beach County, changing life outcomes for the youth in high-risk communities where there are concentrated pockets of poverty. Since our beginning in 1979, PCC has grown to be widely recognized as the county's leading agency of caring experts helping our most vulnerable children - victims of trauma, abuse and neglect, among other childhood developmental social, emotional and psychiatric disorders. As proof of its dedication to expert services, the Parent-Child Center was accredited by the Council on Accreditation (COA) in 2006 and received its most recent national re-accreditation from COA in 2015. At Parent-Child Center, we believe in changing the odds for children and families facing adversity. We specialize in treatment for trauma, depression, attention-deficit, anxiety and other disorders that can impact the development of children and teens. The clients served at the Parent-Child Center face numerous obstacles related to multiple risk factors such as poverty, substance abuse, physical abuse, and mental illness. In 2016, there were 3,789 children and families in Palm Beach County who benefited from our services. Our objectives are met through seven distinct programs providing essential mental health services for children and families that are individualized, strengths-based, recovery-oriented, and family-driven. In 2016, Parent-Child Center implemented an innovative training program. This training program ensures that all service providers are equipped to partner with families on their goals. Current programs include: Intake and Assessment Services, Outpatient Child and Family Mental Health Services, Triple P Parenting (A parent skill training program), Targeted Case Management (Identification of primary basic needs and linkage to community resources for families receiving services from PCC), Crossroads Community Care (A program for children and young adults with a serious mental health issue), Department of Juvenile Justice Mental Health Program (Designed to provide assessment and service provision to children entering the DJJ system with the goal of preventing re-offense), Trauma Care (Provision of trauma-trained therapist for children who have been removed from their home due to abuse or neglect). From the extensive offering above, our programs provide tremendous impact across the entire geographic area of Palm Beach County, including the far-western communities of Belle Glade and Pahokee. Our therapists are community-based, meaning they see clients and their families in their homes, schools, and community centers. Our hub for services resides at our offices in Riviera Beach, serving the most concentrated population of vulnerable families.

Supplemental Information

Return Reference	Explanation
Part X, Line 2	<p>PCC is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code of 1986 and have been classified as publicly supported organizations, which are not a private foundation under 509(a) of the Code. PCC did not engage in any unrelated business activities during the year ended September 30, 2016, and accordingly there is no provision for income taxes reflected in the accompanying consolidated financial statements. PCC adopted FASB ASC 740-10, Accounting for Uncertainty in Income Taxes. This standard seeks to reduce the diversity in practice associated with certain aspects of measurement and recognition in accounting for income taxes. It prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position that an entity takes or expects to take in a tax return. An entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold. PCC assesses the income tax position based on management's evaluation of the facts, circumstances, and information available at the reporting date. PCC uses the prescribed "more likely than not" threshold when making their assessment. At adoption, PCC did not record any cumulative effect adjustment, and accordingly did not accrue any interest expense or penalties related to tax positions. There are currently no open Federal or State tax years under audit.</p>

Part I, Line 2	The various programs have different guidelines depending on the funding source. There is a specific amount of grant funds that is allocated to Assistance to Individuals, and its distribution is based on determined need. For ChildNet funds the distribution gets approved by ChildNet staff. For SEFBHN funds the case workers have the power to approve based on request, need and eligibility. The monitoring also varies. In many cases the checks are made out to the vendor and they represent one time expenditures that are designed to assist the client at that particular moment in time, and therefore there is no further follow up. In some cases the client is helped over a period of time and the assistance is part of their progress monitoring.
