This application proves ongoing eligibility of the agency and its programs. For non-member agencies of the United Way of Central FL, an application packet is mailed and eligibility for that agency to receive designated funds is determined. Non-member applications are good for three years. Each year more than 100 volunteers on 17 teams visit program sites, review previous investments, program goals and outcomes, and make recommendations about the most effective way to meet critical needs. The process includes: 1. An on-line application process that includes explanation of the proposed use, historic and anticipated results from use of the funding. Applications include agency and program budgets, program profile, demographics, specific outcomes and related indicators that measure results. Social conditions identify the need for the service in the community. A success story provides an example of a client whose life was impacted by the service. 2. Financial review of the organization to gain a level of assurance that the organization follows sound policies. Partner programs submit budgets. 3. A copy of the organization's 990 and audit are also required. 4. Verification of compliance with the provisions of the Patriot act are included in the application. 5. Verification of current status as an IRS code section 501 (c) (3) nonprofit organization. 6. Community Investment Teams, composed of trained volunteers and staff, conduct site visits to meet the applicant's CEO, Board member(s), program staff and clients served. Teams monitor staff credentials and impact data collection to verify reliability. Partner programs are required to provide UWCF with 6 month progress reports that show how the funding has been utilized as well as a final report.
