### **Form 990, Part III, Line 4a:**

Our Agency's singular program is Comprehensive Mentoring. Our mission is to provide children facing adversity with strong and enduring, professionally supported one-to-one relationships that change their lives for the better, forever. A simple but powerful mission which serves as the foundation for what we do. Thanks to dedicated volunteers and generous donors we're able to serve children from all walks of life. Within our comprehensive mentoring program, volunteers (Bigs) and children (Littles) spend time together either in the community or at an assigned site location. Community Based participants may choose outings such as going for a walk, working on arts and crafts, taking a bike ride, or watching a sporting event. Site based participants may meet with their Little Brother or Little Sister one hour a week at a near-by school and may choose activities such as reading, games, or even just talking about school and/or life. In our School-to-Work mentoring program, partner high schools are matched up with a local business or governmental entity for a minimum of two years. High school juniors the first year and seniors the second year meet with their assigned mentors at his or her work place for a half a day each month during the school year. During this time, youth participating at each site have the opportunity to participate in career readiness training such as resume writing and job shadowing, while developing a 1:1 relationship with their mentor. The overarching objectives for each of these School-to-Work matches is to form a positive 1:1 relationship, have the student graduate from high school with the best possible grades, and develop a plan for each student of what he or she will do upon graduation.

## Supplemental Information

Return Reference	Explanation
Part V, Line 4	<p>The Organization receives income from certain endowment funds that are neither in the Organization's possession nor under its control. These external endowment assets are held in perpetuity and are invested and managed by outside trustees in accordance with trust agreements as directed by the donors. In 2002, the Organization established an endowment account with the Pinellas County Community Foundation (PCCF) in the amount of \$10,000. In 2009, the Organization established the Charles Manly endowment account with the Community Foundation of Tampa Bay (CFTB). It is the intent of the donors and the Organization to accumulate donations and earnings until the fund reaches a balance of \$25,000. Although the Organization does not have the right to receive the endowment assets per the Trust Agreement, the contribution to the endowment fund is considered an asset of the Organization as it has been named beneficiary. Earnings on the endowment funds are periodically distributed to the Organization in accordance with the trust agreement. In 2013, the Organization established a scholarship endowment account with the Community Foundation of Tampa Bay. The Organization utilized CFTB's Leave a Challenge Grant Program (the Grant Program) which incorporates a one-to-three match. The Organization had a goal of raising \$50,000 with \$37,500 to be raised by the Organization and \$12,500 to be awarded through the Grant Program. As of January 2014, the Organization was awarded the challenge grant by CFTB. Although the Organization does not have the right to receive the endowment assets per the Trust Agreement, the contribution to the endowment fund is considered an asset of the Organization as it has been named beneficiary. Earnings on the endowment funds are distributed to the Organization semi-annually at a distribution rate between 3.50% - 5.50% of the fund's balance as of December 31st of the year preceding the distribution. For 2015, the spending policy is 4% of the December 31, 2014 endowment account balance.</p>

## Supplemental Information

Return Reference	Explanation
Part X, Line 2	<p>The Organization accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The Organization has identified its tax status as a tax-exempt entity as its only significant tax position, however, the Organization has determined that such tax position does not result in an uncertainty requiring recognition. The Organization is not currently under examination by any taxing jurisdiction. The Organization's federal returns are generally open for examination for three years following the date filed.</p>
