## Supplemental Information

| Return Reference | Explanation   |
|------------------|---|
| Part X, Line 2   | <p>The Organization is a not-for-profit organization and a public charity, as described in Section 501(c)(3) and 509(a) of the Internal Revenue Code, and exempt from Federal income taxes, except that unrelated business income is taxable. The Organization had no unrelated business income tax during the year ended December 31, 2017. U.S. GAAP requires management to evaluate tax positions taken and recognize a tax liability (or asset) if the Organization has taken an uncertain tax position that more likely than not would not be sustainable upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of December 31, 2017, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. If the Organization were to incur an income tax liability in the future, interest and penalties would be reported as income taxes. The Organization is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Management believes the Organization is no longer subject to income tax examinations for the years prior to 2014.</p> |
