HPI has no discretionary powers over the funds, and is to make payments as directed by the terms of the contract with NeighborWorks America for the benefit of the target population. Return Reference	Explanation
Part IV, Line 2b	HPI follows FASB ASC 958-605, not-for-profit entities, revenue recognition, to account for agency transaction funds with an unrelated entity

Supplemental Information

Return Reference	Explanation
Part X, Line 2	<p>HPI is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code of 1986 and have been classified as publicly supported organizations, which are not a private foundation under 509(a) of the Code. HPI did not engage in any unrelated business activities during the year ended September 30, 2016, and accordingly there is no provision for income taxes reflected in the accompanying consolidated financial statements. HPI adopted FASB ASC 740-10, Accounting for Uncertainty in Income Taxes. This standard seeks to reduce the diversity in practice associated with certain aspects of measurement and recognition in accounting for income taxes. It prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position that an entity takes or expects to take in a tax return. An entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold. HPI assess the income tax positions based on management's evaluation of the facts, circumstances, and information available at the reporting date. HPI uses the prescribed more likely than not threshold when making the assessment. At adoption, HPI did not record any cumulative effect adjustment, and accordingly did not accrue any interest expense or penalties related to tax positions. There are currently no open Federal or State tax years under audit.</p>

Part IV Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Part I, Line 2	The various programs have different guidelines depending on the funding source. There is a specific amount of grant funds that is allocated to Assistance to Individuals, and its distribution is based on determined need. The monitoring also varies. In many cases the checks are made out to the vendor and they represent one-time expenditures that are designed to assist the client at that particular moment in time, and therefore there is no further follow-up. In some cases the client is helped over a period of time and the assistance is part of their progress monitoring.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part I, Line 1	<p>Housing Partnership is a member of Community Partners together with the Parent Child Center. Together, these not-for-profit organizations offer a comprehensive array of housing, community, and child and family mental health services. As a member of Community Partners, these organizations have significant capacity to make a lasting, positive impact on our children, families, and communities. While each organization retains its own charitable 501(c)(3) status, they share consolidated financial statements, a common board, and administration under the name of Community Partners. The combined strengths of the agencies enable Community Partners to effectively address some of our community's most challenging financial, social, and emotional issues. Believing that impractical solutions to complex community issues require an approach that is both holistic and focused, Housing Partnership was formed in 1986 to help meet the community's need for affordable housing and to assist in neighborhood revitalization efforts. Accordingly, we offer an array of innovative and economically sustainable paths to affordable housing and community living for low to moderate income families and those with special needs. Services include assistance in obtaining and maintaining housing for first-time homeowners, neighborhood planning, community development and community organization, after-school programs in targeted areas, supportive housing for the mentally ill and individuals struggling with addictions, and family-strengthening and empowerment programs. Housing Partnership remains a chartered affiliate of the national NeighborWorks America since 1996. The organization holds an "exemplary rating" from this prestigious, national intermediary chartered by Congress.</p>

St Charles Place Manor HPI sponsored the creation of St Charles Place Manor (St Charles), funded through a HUD 811 grant. The HUD 811 grant required the sponsor to create a single-asset 501(c)(3) entity to administer the grant and to maintain the asset.
