**Form 990, Part III, Line 4b:**

COMMUNITY HEALTH Community Health includes services such as showering, and laundry for the homeless community

---

### **Form 990, Part III, Line 4c:**

DIVERSION AND COMMUNITY HEALTH INITIATIVE Diversion is nationally recognized as the most effective way to reduce homelessness and the cost of homeless services. We help individuals identify safe, realistic housing options based on their own resources rather than those of the homeless services system, given that supportive housing opportunities and shelter bed space are very limited. Launched in February 2018, in the remaining four months of the fiscal year alone, Diversion Services helped 249 persons avoid shelter and find safe, alternative housing options. On April 1, 2018, we launched our new Community Health Initiative to provide access to hygiene for unsheltered men, women, and children. We provide showers, laundry service, hygiene kits and clean clothing five days a week at the Coalition. In the first three months alone (to the end of the fiscal year) 374 unduplicated persons received 3,422 units of service. This service makes all the difference in helping folks maintain or regain employment, improving quality of life and reducing the spread of disease.

## Supplemental Information

Return Reference	Explanation
PART X, LINE 2	<p>The Coalition is a nonprofit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. Accounting principles generally accepted in the United States of America prescribe requirements for the recognition of income taxes in financial statements, and the amounts recognized are affected by income tax positions taken by the Coalition in its tax returns. The Coalition's status as an exempt organization is defined as an income tax position under these requirements. While management believes it has complied with the Internal Revenue Code, the sustainability of some income tax positions taken by the Coalition in its tax returns may be uncertain. There are minimum thresholds of likelihood that uncertain tax positions are required to meet before being recognized in the financial statements. Management does not believe that the Coalition has any material uncertain tax positions at June 30, 2018 and 2017. In the event interest and penalties were due relating to an unsustainable tax position, they would be treated as a component of income tax expense.</p>
