Our neighborhood outreach services build relationships with neighborhood associations & stakeholder institutions to provide assistance through public awareness, meeting facilitation, problem-solving and project consultation. Our technical assistance helps neighborhoods enact their strategies and plans for community improvement.

CFN has an extensive background in neighborhood assessment and planning, which includes facilitating broad stakeholder input. Neighborhood Assessments and Walkability Assessments help identify current conditions, future desires & the action steps to get there. Neighborhood Plans allow residents to articulate a clear vision for their neighborhood with defined goals and a work plan.
