## Supplemental Information

Return Reference	Explanation
Part X, Line 2	Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Foundation and recognize a tax liability if the Foundation has taken an uncertain tax position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by the Foundation, and has concluded that as of December 31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. The Foundation is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.
