Part X, Line 2	Accounting standards require the Project to evaluate its tax positions and recognize a tax liability (or asset) if the Project has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management of the Project has analyzed the Project's tax positions and has concluded that as of June 30, 2017 and 2016, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The Project may be subject to audit by the Internal Revenue Service, however there are currently no audits for any tax periods in progress.
