Part X, Line 2:	The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and has been classified as an entity other than a private Organization within the meaning of Section 509(a). Income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. Management has determined that there are no uncertain tax positions that would require recognition in the financial statements. If the Organization were to incur an income tax liability in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax would be reported as income taxes. Management's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based on ongoing analysis of tax laws, regulations, and interpretations thereof as well as other factors.
