Part X : FIN48 Footnote	Management has concluded that any tax positions which would not meet the more-likely-than-not criterion of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 740-10, Accounting for Income Taxes, would be immaterial to the financial statements taken as a whole. Accordingly, the accompanying financial statements do not include any provision for uncertain tax positions, and no related interest or penalties have been recorded in the operating statement or accrued in the statement of financial position. Federal and state tax returns of the Organization are generally open to examination by the relevant taxing authorities for a period of three years from the date on which the returns are filed.

An interested person must disclose actual or possible conflicts of interest and all relevant facts. He/She shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon, and the remaining board or committee members shall decide if a conflict of interest exists. If it does, the remaining board or committee members shall discuss and vote on the transaction or arrangement.
