Return Reference	Explanation
Schedule A, Part IV, Section C, Line 1	<p>The supported organization is represented on the board of the supporting organization with 1/3 of the directors. The supported organization manages the operations of the supporting organization through a management agreement. The agreement provides for management services including, but not limited to, fund raising, general and administration, accounting and financial services. Under Treasury Regulation Sec 1.509(a)-4(h), it is indicated that in order to be a Type II supporting organization, there must be "common supervision or control by the persons supervising or controlling both the supporting organization and the publicly supported organization to insure that the supporting organization will be responsive to the needs and requirements of the publicly supported organization." Because both the YMC A of Metropolitan Dallas and this organization are managed by the same persons, this requirement should be met, allowing this organization to be a Type II supporting organization.</p>
