| Part II, Compensation from Unrelated Organizations | Interim annually reviews salary schedules to determine whether an overall increase to the schedules is warranted for all staff. Data is collected from a variety of sources, using position comparison and job matching techniques. We seek data from a variety of sources, including Monterey County Behavioral Health, City of Monterey, City of Salinas, California Association of Social Rehabilitation Agencies, the Northern California Nonprofit Annual Survey, the Nonprofit Times Annual Survey, California Employment Development Department Metropolitan Salinas Survey, and private salary survey companies when appropriate (such as Abbott, Langer & Associates). All comparative information is presented to the program & personnel committee of the Board of Directors for review and HR department recommends changes to the salary schedules if warranted to the full board. When there is no step schedule change, the only salary increases given result from the employee receiving an annual performance review that warrants moving to the next step on the salary schedule, which is a 4.5% increase over the previous step. |
