Return Reference	Explanation
Part X FIN48 Footnote	<p>The Organization is classified as a Section 501(c)(3) organization under the Internal Revenue Code of 1986 and Section 23701(d) of the California Revenue and Taxation Code. As such, the Organization is not liable for Federal income and State franchise tax. However, the Organization remains subject to taxes on any net income that is not derived from a trade or business, regularly carried on, and unrelated to its exempt purpose with certain exclusions. No income taxes have been recorded in the accompanying financial statements since management believes the Organization has no taxable unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under section 170(b)(1)(A) and has been classified as an organization that is not a private foundation. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken, and has concluded that as of June 30, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.</p>
