Part X : FIN48 Footnote	The Authoritys blended component unit (which is SHFC) accounts for income taxes in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 740, Income Taxes, which clarifies the accounting and disclosure requirements for uncertainty in tax position. It requires a two-step approach to evaluate tax positions and determine if they should be recognized in the financial statements. The two-step approach involves recognizing any tax positions that are more likely than not to occur and then measuring those positions to determine if they are recognizable in the financial statements. Management regularly reviews and analyzes all tax positions and has determined no uncertain tax positions have occurred. In general, SHFC's income tax returns are subject to examination by various taxing authorities for three years after they were filed.
