are not in school to access the meal programs. Through a network of  
over 500 partner organizations, Every Meal provides thousands of local  
children with the food they need to learn and grow.

A differentiator of Every Meal is the food provided, over 99% of which  
is purchased from over a dozen local, national, and global vendors.

Food items and brands are determined through guidance from an on-staff  
registered dietician who analyzes nutritional contents and taste,  
ensuring the food is both nutritious and delicious. The variety of  
foods provided is a focus for Every Meal, as they continue to reach  
various populations with specific dietary needs and preferences. A  
recent move to a larger warehouse provides them with increased  
flexibility to select and purchase a much wider range of food options,  
including regionally-specific beans, specialized grains and flour, and  
favorable vegetables and fruits for various cultural cooking needs. The  
ability to provide a better selection of foods to children and their  
families allows the program to serve and nourish children in a much  
more robust way.

In March of 2020, The COVID-19 pandemic caused a skyrocketing need for  
food assistance programs. The Every Meal network responded by providing  
almost 2.5 million meals to children and families in a variety of  
innovative ways. Food distribution methods were adapted based on the  
learning models implemented by the school partners and added additional  
sites, such as YMCA locations across the Twin Cities, libraries, parks,

community buildings, worship centers, and fire stations. During this nationwide crisis, Every Meal increased the food provided to children by over 400%.

In addition to the pandemic, Every Meal provided immediate relief to the significant decrease of food access following the killing of George Floyd and the corresponding destruction of local grocery, convenience, and drug stores. Overnight, food deserts were created in several locations in Minneapolis and St. Paul. Every Meal was asked to lead an urgent food donation collection at Sanford Middle School, which turned into a community wide response that resulted in 40,000 meal bags and 18 semi trucks of food donated in one day. Every Meal collected, organized and distributed the food and essential items to the affected neighborhoods within one week and continued to coordinate community efforts throughout the summer.

In June of 2020, in partnership with Ramsey County, Every Meal converted approximately 4,000 sq. ft of county land next to their facility into a produce garden, creating the Every Meal Grow and Give Community Garden. This new seasonal produce initiative significantly expanded the amount of produce Every Meal was able to provide to children and families who need it. The Every Meal garden, along with partnership gardens facilitated by Surly Brewing, Dangerous Man Brewing, and New Life Presbyterian Church, combined for a total harvest of 5,691 pounds of fresh produce that was distributed to children and families in the Roseville community throughout the summer.
