Return Reference	Explanation
IV 11f	Accounting principles generally accepted in the United States of America require uncertain tax positions to be recognized in the financial statements if they are more likely than not to fail upon regulatory examination. Management has evaluated the Organization tax positions as of June 30, 2018 for the year then ended by reviewing its income tax returns and conferring with its tax advisors, and determined that the Organization had no uncertain tax positions required to be reported in accordance with such generally accepted accounting principles. The Organization is no longer subject to examination by tax authorities for years ending before 2014.
