The grant from Verizon Foundation, in the amount of \$399,900 is classified as an "Unusual grant" and excluded from the public support test.

AMENDED RETURN Changes :

The financial information on the original return filed by the reporting entity for this period reflected a conclusion that retaining the amount of the grant was dependant upon future events not yet certain. The amounts pertaining to future periods was reflected as "unearned income" in the original return. That conclusion was later determined to be in error.

This amended return changes FROM the position of grant revenue being dependant upon uncertain future events and, instead, reflects all of the gross proceeds of the grant as revenue in the reporting period.
