Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:
EFAA helps those in our community whose immediate needs for food, shelter, and other basic necessities cannot adequately be met by other means, and supports their efforts toward financial stability and self sufficiency.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 2,385,520 including grants of \$ 512,176) (Revenue \$ 0)
The Basic Needs Program provides various types of assistance to low income households in Boulder and Broomfield Counties who are unable to meet their basic needs. Our target populations are low-income families, seniors and people with disabilities. Our client's average household income is approximately \$14,136/year. People needing help are interviewed by professional caseworkers to assess their whole situation, including financial needs, food insecurity, medical insurance, access to benefits, children's needs, etc. All EFAA casework is based on a strengths-based model. Financial and budget counseling is provided, in addition to assessing the appropriateness of EFAA's assistance. EFAA is able to directly provide food, furniture, and assistance to pay rent, deposits, utilities, transportation costs, emergency motel stays, minor medical expenses, etc. Referrals are made for longer term assistance to government programs or to other non-profit agencies, as appropriate. The Basic Needs Program services are specific to the geographic needs of a community, with on-site services provided in Boulder, Lafayette, Louisville, Longmont and Broomfield. In FY 2016, EFAA provided \$532,237 in direct financial assistance for rent, deposits, utilities, transportation, emergency motel shelter, minor medical and dental needs, eyeglasses, etc., through our Basic Needs Program. In addition, our food bank distributed 638,549 pounds of food valued at \$1,098,304.

4b (Code:) (Expenses \$ 903,468 including grants of \$ 17,746) (Revenue \$ 202,843)
The Short-term Shelter and Transitional Housing Programs provide homeless families in Boulder and Broomfield Counties a safe place to live and caseworker support in their efforts to attain financial stability and self-sufficiency. The Short-term Shelter Program families are housed in EFAA apartments for up to three months. During their stay, EFAA provides intensive casework, goal setting, mandatory savings plans and covers most living expenses, including household items, food, and transportation. Families save their incomes so when they leave the program they have accumulated savings which they use to secure long-term, affordable housing. Families in our Transitional Housing Program are housed in our apartments for up to two years. During their stay, they pay low cost rent (generally \$525 incl utilities) and are required to work with a caseworker to achieve self-identified goals (increased income, education, job training, etc.). Ideally, when they move out they have accumulated adequate savings to secure long-term housing, their families have stabilized, have increased their earning abilities and have experienced success at being good tenants. EFAA has 52 units for these programs in Boulder, Lafayette, Longmont, and Louisville. In FY 2016, we provided housing to 138 unduplicated households representing 546 individuals. 77% of families who exited EFAA's housing/shelter programs were successful in moving into affordable, long-term housing.

4c (Code:) (Expenses \$ 100,500 including grants of \$ 2,314) (Revenue \$ 0)
All children housed in EFAA's apartments are assessed for unmet needs, in addition to their general family needs, and provided targeted program opportunities such as after school activities, homework help and field trips. The goal of the Children's Program is to make sure that the needs of the children in our homeless shelters are being met during their stay with us and ensuring the children's home life, educational career and health are stable and progressing. The Children's Program seeks to stop the cycle of homelessness by educating our families on how to promote a healthy and stable lifestyle for their youth. EFAA works closely with the school districts and teachers to make sure the children are attending school, receiving free lunch and getting program fees waived, free transportation to their school of origin, etc. In addition, we work with parents to encourage their active engagement with their children's school and teacher, which research shows is crucial in improving children's achievement levels. Also, educational and fun field trips are taken to museums, live performances, sporting events and local events (many times with donated tickets), in order to provide enrichment not generally available to homeless families. In FY 2016, specialized casework services were available to 329 children residing in EFAA housing.

EFAA is a nonprofit corporation exempt from income taxes as described in Section 501(c)(3) of the Internal Revenue Code and is classified by the Internal Revenue Service as other than a private foundation. Accordingly, no provision for income taxes has been made. EFAA utilizes the provisions of ASC 740, pertaining to accounting for uncertainty in income taxes. The pronouncement requires the use of a more-likely-than-not recognition criteria before and separate from the measurement of a tax position. An entity shall initially recognize the financial statement effects of a tax position when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. With respect to EFAA, this would primarily relate to the determination of unrelated business taxable income and to the maintenance of its tax exempt status. Management has evaluated the adopted policies and procedures that have been implemented to provide assurance that income is properly characterized and activities that jeopardize its tax exempt status are within limits established under existing tax code and regulations. Management has determined the effects of uncertain tax positions are not material to EFAA for recognition or disclosure in the accompanying financial statements and, accordingly, no income tax liability has been recorded for uncertain income tax positions in the accompanying financial statements.
