Form 990 (2017)

Form 990, Part III, Line 4a:

The Basic Needs Program provides various types of assistance to low income households in Boulder County who are unable to meet their basic needs. Our target populations are low-income families, seniors and people with disabilities. Our client's average household income is approximately \$14,524 per year. People needing help are interviewed by professional case managers to assess their whole situation, including financial needs, food insecurity, medical insurance, access to benefits, children's needs, etc. In FY 2018 our Case Managers and volunteers conducted 17,399 face-to-face interviews with families needing financial help and 2,166 households were served representing 4,227 individuals. Financial and budget counseling is provided, in addition to assessing the appropriateness of EFAA's assistance. EFAA is able to directly provide food and financial assistance to pay rent, deposits, utilities, transportation costs, emergency motel stays, minor medical expenses, etc. EFAA referrals are made for longer term assistance to government programs or to other non-profit agencies, as appropriate. In FY 2018, EFAA provided \$860,480 in direct financial assistance for rent, deposits, utilities, transportation, emergency motel shelter, minor medical and dental needs, eyeglasses, etc., through our Basic Needs Program. In addition, our food bank distributed 758,055 pounds of food valued at \$1,303,855 to our clients.

Form 990, Part III, Line 4b:

EFAA's Short-term Shelter and Transitional Housing Programs provide homeless families in Boulder County a safe place to live and case management support in their efforts to attain financial stability and self-sufficiency. The Short-term Shelter Program families are housed in EFAA apartments for up to three months. During their stay, EFAA provides intensive case management, goal setting, mandatory savings plans and covers most living expenses, including household items, food, and transportation. Families save their incomes so when they leave the program they have accumulated savings which they use to secure long-term, affordable housing. Families in our Transitional Housing Program are housed in our apartments for up to two years. During their stay, they pay low cost rent (generally \$550 incl utilities) and are required to work with a case manager to achieve self-identified goals (increased income, education, job training, etc.) Ideally, when they move out they have accumulated adequate savings to secure long-term housing, their families have stabilized, have increased their earning abilities and have experienced success at being good tenants. EFAA has 52 units for these programs in Boulder, Lafayette, Longmont, and Louisville. In FY 2018, we provided housing to 123 unduplicated households representing 427 individuals. 84% of families who exited EFAA's housing/shelter programs were successful in moving into affordable, long-term housing.

Form 990, Part III, Line 4c:

All children housed in EFAA's housing units are assessed for unmet needs, in addition to their general family needs, and provided targeted program opportunities such as after school activities, homework help and field trips. The goal of the Children's Program is to make sure that the needs of the children in our homeless shelters are being met during their stay with us and ensuring the children's home life, educational, career and health are stable and progressing. The Children's Program seeks to stop the cycle of homelessness by educating our families on how to promote a healthy and stable lifestyle for their youth. EFAA works closely with the school districts and teachers to make sure the children are attending school, receiving free lunch and getting program fees waived, free transportation to their school of origin, etc. In addition, we work with parents to encourage their active engagement with their children's school and teacher, which research shows is crucial in improving children's achievement levels. Also, educational and fun field trips are taken to museums, live performances, sporting events and local events (many times with donated tickets), in order to provide enrichment not generally available to homeless families. In FY 2018, specialized case management services were available to 244 children residing in EFAA housing.

Accordingly, no provision for income taxes has been made. EFAA utilizes the provisions of ASC 740, pertaining to accounting for uncertainty in income taxes. The pronouncement requires the use of a more-likely-than-not recognition criteria before and separate from the measurement of a tax position. An entity shall initially recognize the financial statement effects of a tax position when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. With respect to EFAA, this would primarily relate to the determination of unrelated business taxable income and to the maintenance of its tax exempt status. Management has evaluated the adopted policies and procedures that have been implemented to provide assurance that income is properly characterized and activities that jeopardize its tax exempt status are within limits established under existing tax code and regulations. Management has determined the effects of uncertain tax positions are not material to EFAA for recognition or disclosure in the accompanying financial statements and, accordingly, no income tax liability has been recorded for uncertain income tax positions in the accompanying financial statements.</p>
