PART X, LINE 2: The Authority is exempt from federal income tax under Section 501(c)3 of the Internal Revenue Code. However, income from certain activities not directly related to the Authority's tax-exempt purpose is subject to taxation as unrelated business income

The Authority adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required Income tax benefits are recognized for income tax positions taken, or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Authority has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Authority believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Authority's financial condition, results of operations or cash flows. Accordingly, the Authority has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2019.

The Authority is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
