### Form 990, Part III, Line 4a:

Programs Real Estate Development, Affordable Housing Hope Communities was established 39 years ago, in 1980, by visionaries Ray and Marilyn Stranske. It was initiated as a means to provide training, support services and housing to low-income individuals and families either experiencing or at the brink of homelessness. They quickly realized that people had a difficult time advancing toward self-sufficiency if they did not have a safe place to call home. They began a quest to offer quality, affordable housing with supportive programs and services, which has been vitally important ever since. Over the years, Hope has built, purchased or renovated nearly 800 rental units for low-income renters. The organization's genesis occurred in the historic Five Points neighborhood, though over the years they expanded their inventory to provide rental units in multiple neighborhoods in Denver. They were the first to build a new mixed-use, mixed income TOD building on Denver's Welton Street light rail line with 9% Low Income Housing Tax Credits (LIHTC), renovated a 130-unit apartment complex in East Denver and purchased 93 townhouses in North Park Hill. Most recently, Hope purchased and renovated an historic building in Five Points to use as a community center with Historic and New Market Tax Credits. Hope currently holds 278 affordable units across Denver. The organization continues to seek opportunities for future housing development in a city that desperately needs affordable homes for its current employees and others migrating to the Mile-High City.
